

233  
GTC

**G**  
GRANFORT

The 233 GTC is the perfect choice for enjoying your leisure time and family boating. The cabin is a sophisticated and functional space. In the cockpit, you'll find plenty of space for the best interaction with all the comfort and convenience.

#### COCKPIT

The space you need to enjoy the best of life

The cockpit features ample space with an excellent circulation area, including a cockpit table and an anatomical chaise for greater comfort.

#### CABIN

All the comfort you need to recharge

Discover a cozy space in the cabin, designed with your comfort in mind. It's perfect for an overnight stay for two people, featuring a toilet and an optional tablebed.

#### DESIGN

Crafted to create unforgettable moments

Boasting a sporty appearance and premium finishes that meet international quality standards, the design includes a stainless steel arch, perfect for water sports.

## BOW

Stay close to nature

The bow features a wide and comfortable space, so you can relax in complete safety while enjoying the great outdoors.

## STERN

Enjoy every moment to the fullest

The aft sundeck is a perfect place to relax, featuring a folding seat and a convenient platform access ladder with a handrail. Additionally, you can opt for a gourmet area, complete with cup holders and a teak side table.

## HIGHLIGHTS

Boating with efficiency and optimal performance

- New upholstery featuring fresh European design
- Functional cabin with bathroom
  - Two USB ports and a digital voltmeter on the panel
  - Ample flow space
  - Folding seat at the stern
  - Chaise in the cockpit
  - Exclusive Italian standard steering wheel

## ABOUT US

Established in 1990, Fibrafort stands as the premier boat manufacturer in South America, with a global footprint spanning over 18,000 units delivered to 44 countries. Through our Granfort line, we aspire to traverse the world's oceans, bringing joy and adventure to boating enthusiasts worldwide. With an unwavering commitment to quality and innovation, Fibrafort strives for excellence in the nautical industry, ensuring extraordinary experiences for all who embark on our journeys.

## PARTNERSHIP

The collaboration between Fibrafort and Porsche Consulting has elevated our boats to new heights of quality and sophistication. Drawing on Porsche Consulting's expertise, we've meticulously redesigned processes and projects, solidifying our dedication to operational eminence.
