

255
GTO

GF
GRANFORT

The fusion of sportiness and bold design seamlessly integrates with comfort and style, creating an ideal environment for family enjoyment and leisure.

COCKPIT

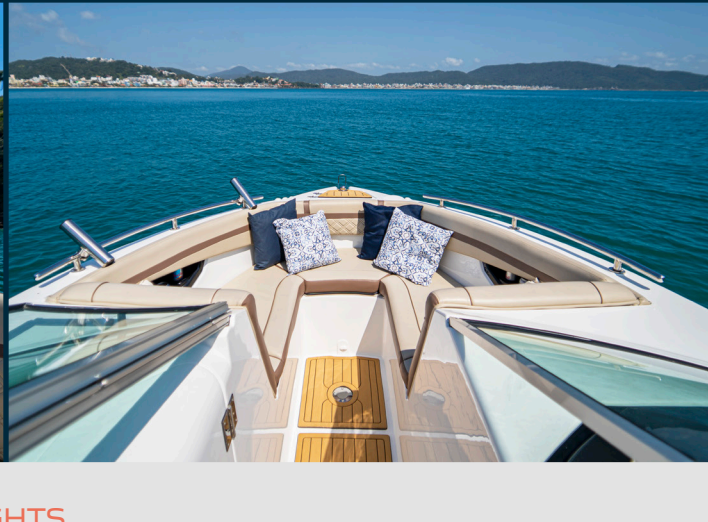

Share unique moments

With ample space, a center table, and an anatomical chaise, the cockpit is the ideal space to share unique moments in every detail. It also features a bathroom with a fresh water system.

BOW

Embrace every experience

The 255 GTO is the perfect combination for enjoying time with family and friends. It features two anatomical chaise lounges and plenty of space to relax and unwind.

DESIGN

A sporty and modern line, with a unique finish

Designed with attention to every detail, the 255 GTO was crafted with comfort and safety in mind without giving up its elegant and sporty style. The forward-facing arch conveys strength, with a color scheme that enhances the modern design.

STERN

Fun in harmony with nature

Whether for leisure or entertainment, the 255 GTO provides generous stern space, featuring a smart and versatile sundeck, an optional gourmet area, and a stainless steel arch for water sports activities.

HIGHLIGHTS

Boating with efficiency and optimal performance

- Aluminum fuel tank
- Certified safety system
- Functional and efficient gourmet space option
 - Exclusive premium upholstery
 - Arch combination that brings sportiness and style
 - Sleek dashboard offering both style and comfort
 - Smart and versatile aft sundeck
 - Also available in outboard version

ABOUT US

Established in 1990, Fibrafort stands as the premier boat manufacturer in South America, with a global footprint spanning over 18,000 units delivered to 44 countries. Through our Granfort line, we aspire to traverse the world's oceans, bringing joy and adventure to boating enthusiasts worldwide. With an unwavering commitment to quality and innovation, Fibrafort strives for excellence in the nautical industry, ensuring extraordinary experiences for all who embark on our journeys.

PARTNERSHIP

The collaboration between Fibrafort and Porsche Consulting has elevated our boats to new heights of quality and sophistication. Drawing on Porsche Consulting's expertise, we've meticulously redesigned processes and projects, solidifying our dedication to operational eminence.
